ENVIRONMENTAL, OCCUPATIONAL HEALTH & SAFETY (EOHS)

TNQ Tech Pvt Ltd., is a publishing technology and services company based in Chennai andCoimbatore locations. TNQ serves some of the world leaders in STM publishing.

TNQ strives for continual improvement in Environmental, Occupational Health & Safety (EOHS) performance in the E-publishing, processes and activities and committed to proactively adhere to the defined EOHS Management system.

In this regard we are committed to:

- Protection of the Environment including prevention of Environmental pollution.
- Conservation of natural resources by means of effective utilization & minimising per capita consumption.
- Elimination of Occupational Health & Safety hazards and minimizing the OHS risk.
- Procurement will be prioritized for the environmental and OHS friendly products and services.
- Comply with applicable Environmental, Occupational Health & Safety legal & other requirements.
- Encourage Employees participation and consultation on EOHS matters.
- Training and Awareness will be inculcated continuously through involvement of people and enhancement of talent.

To provide safe and healthy working conditions for the prevention of work related injuries and ill health.
